Donner Museum Fund Requested In Knight Budget

Lake Tahoe Projects Also Included In Request For Funds

Gov. Goodwin J. Knight's 1956-57 capital outlay budget for state beaches and parks requests $150,000 for acquisition and development of Donner Memorial State Park. The Capitol News Service at Sacramento reports.

The budget also contains a request for $750,000 for acquiring property at Emerald Bay State Park, and $75,000 for expansion of D. L. Bliss State Park. The latter two projects are at Lake Tahoe.

Hope for the local parks, sought in the last session of the legislature under a bill introduced by Senator Harold T. Johnson of Roseville, dimmed when the omnibus bill was used during the final hours of the session to embrace scores of other projects costing over $18,000,000, with the Donner Park section stricken out.

Governor Knight vetoed the bill as it finally passed, as many of the projects included were found unsound and impractical, involving too much money. Senator Johnson requested local expenditure at the present budget session.

Truck Wrecks Tie Up Road At Donner

Traffic over highway 40 was tied up for three hours between 1 and 4 a.m. Tuesday as the result of a pileup of three tank trucks and a car.

Two of the trucks, operated for the Sheldon Oil Company by Joseph Segura, Vacaville, and Willis Hill, Fairfield, were parked along the road when a P.I.E. tanker, driven by Darrel Dixon, West Sacramento, struck the rear of one of the parked vehicles. This caused the P.I.E. trailer to overturn and the first tanker crashed into the one in front sending the latter across the highway into the path of a car driven by Abraham Malkon of Harve, Montana.

State Patrolman Roy Stallard said Dixon would be cited. Both Hill and Segura were asleep in a nearby motel when their vehicles were wrecked. No one was injured in the mixup.

TRUCKEE CLUB 2ND IN SUMMIT RACES

NORDEN— Forty teams were entered in the 10th annual Sacramento Bee trophy race at Sugar Bowl Sunday with the Lake Tahoe-Squaw Valley team taking first place, the Truckee Outing Club second and Reno third.

Skiing for Truckee were Mickey Hogan, Mary Ann Tonini, Norm Saylor and Babette Hauisen.

The Tahoe team comprised Bill Briner, Dee Dee Tschopp, Joe Auckenthaler and Smiley Tschopp.

More than 1600 fans witnessed the games one of the biggest ever held in the area.

The Oakland Ski Club's annual junior race is scheduled for Sugar Bowl March 24 and 25. There will be a trophy for every child racer and entries should be in by March 12 to the Oakland Ski Club. It will be an easy course and all children are invited to enter.

TWO ARE HELD AFTER CAR THEFT HEARING

Andrew Garcia of Truckee and Herbert George Howell of Sacramento and Norden, both 25, were held to answer by Truckee Judicial District Judge F. W. Wilson and bound over to Nevada County Superior Court on a charge of grand theft, auto, a felony.

Both are being held in the county jail in lieu of $1,000 bail each.

Great Books Club To Meet On Wednesday

The second meeting of the Great Books discussion group will be held in the library Wednesday, at 8:00 p.m., March 14. Miss Geri Bean and Roy Baker will lead a discussion of Plato's Apology and Crito. Visitors are welcome.

February is the shortest month of the year, but for the community library, statistically speaking, it was the "longest" of all months of the last two years. There was a sizeable increase in circulation of books and magazines to adult citizens of the district.

Former Patient Gives Hospital Staff Present

As a token of appreciation for the care he received while a patient at the Tahoe Forest Hospital recently, Ellery McClatchey of San Francisco has sent the staff there a new coffee maker for their use. He also expressed his thanks for the excellent care provided.

Tahoe Chamber In Program Supports Emerald Bay Road

TAHOE CITY— Don Huff, president of the Lake Tahoe-Sierra Chamber of Commerce, in a letter to the members, this week pointed out a fact which has been verified by Frank Fox, local highway superintendent, that the road at Emerald Bay is a thing of the past and that considerable work is required to make it passable when the snow is gone.

Fox recently inspected the area and found that much of the highway itself had slid into the bay. He could not estimate at this time what the extent of the damage is, but indicated it would be great.

Huff wrote that George Canon, chairman of the chamber's highways committee, said the mountain slid all the way to the water line, with the road entirely gone. The chamber is urging legislators to request the division of highways to make this section an all year road, but in the meantime to hurry repairs.

The chamber president also announced this week that the Mile High Tahoe Gold Cup races will be held this year on August 12th. By changing the date into August, a number of boats will come direct from the Seattle regatta.

In order to save the cost of maintaining an office at Tahoe during the winter months, Huff is handling correspondence from his office in Woodland while Mrs. Myrtle Carnell, the regular secretary, is taking time off until spring makes the Tahoe office opening desirable.

Currently, Huff said, the chamber is concentrating on support for the 1960 Winter Olympics, a new road at Emerald Bay and filling requests for information regarding area development.

Fashion Show Features Wyethia Club Dinner

Thirty-two members and guests attended the dinned meeting of the Wyethia Club Friday evening at the Methodist Church. Dinner was prepared by the WSCS and served by the MYA girls.

Mrs. Eugene Welch presided at the meeting and upon the resignation of Mrs. Thelma Norris as secretary, Mrs. E. C. Bavier was named to succeed her. Mrs. Norris is leaving soon for Sacramento.

E. V. O'Rourke discussed tentative plans for a local airport and suggested that a member be named to represent the club at future planning sessions. Mrs. Fred Pedley was assigned that duty.

Following the meeting, Mrs. Bavier, the program chairman, introduced Mrs. Oliver Corona of Tahoe City who put on a fashion show of hand knit dresses which she made herself. Other guests from Tahoe were Mrs. Catherine Corona and Mrs. Ray Slate who modeled dresses with Mrs. G. E. Lewis of Truckee.

PTA Will Elect Officers At Meeting On Monday

Officers will be elected at the March 12 meeting of the Parent and Teacher Association of the Truckee Elementary School. Members of the nominating committee are Mrs. Irma King, Mrs. Carroll Maynard and Darol McGihon.

Refreshments will be served following the program being arranged by Lynn Kishbaugh.

Boys Decide Hike Over Snow Not Best Route

After being treated for shock and exposure at Tahoe Forest Hospital last week, two Sacramento youths of 15 years were given into the custody of their parents by Deputy Sheriff Roy Waters at the end of their dampening adventures.

The boys apparently hopped a train in their home city and three miles from Truckee decided to cut across the country but the combined snow and wading of Donner Creek chilled their enthusiasm. The duo turned up at Smart's Restaurant the worse for wear and the deputy was called. A quick trip to the hospital was a welcome change from their icy plunge.

In Hospital—

Mrs. Carl Bechdolt, Sr., of Tahoe City was a patient at Tahoe Forest Hospital last week.

Supervisors Pass Resolution Asking River Be Opened

Nevada Board Hits Action By Commission For Closure

The Nevada County Board of Supervisors last week unanimously passed a resolution directed to the state fish and game commission, considering the commission's action in restricting seven miles of the Truckee river to use of artificial lures and asking that the determination be rescended immediately.

The resolution, introduced by Supervisor H. G. Loehr of Truckee, cited the discriminiatory action of the commission as "unfair" and a "disservice" to the sportsmen and business people of the county.

All members of the board, Loehr reported, were in favor of the resolution and some even wanted to go further and use their privilege of closing the seven-mile section to all fishermen. This, it was pointed out, would not solve the problem and it was hoped that the action by the board might result in the commission changing the order in time for the opening of the approaching season.

FUNERAL TODAY FOR MRS. S. A. RICHARDS

Funeral services will be held this afternoon at Lodi for Mrs. Spencer A. Richards, 24, recent Truckee resident who died Saturday in a San Francisco hospital.

Mrs. Richards was well known here where she was employed in the telephone office. She made her home at Donner Lake for six years, coming here from Sacramento.

Cause of her death was not immediately learned.

She leaves her husband, daughter, Tamara; parents, Mr. and Mrs. A. M. Peterson of 4315 Edison Avenue. Sacramento; brother, David, of Sacramento, and sister, Mrs. Nadine Quist of Harlan, Iowa.

Awards Presented At Meeting Of Cub Scouts

Cub Scout Pack 7 held their February Pack Meeting at the Truckee Elementary School, Tuesday Evening, February 28th. The meeting started with the Flag Salute, led by Gregory York.

Tony Kenyon and James Roth were awarded the wolf badge and gold arrow point. Ted Daniels and Dave Sorani were awarded gold and silver arrow points. Gary Sturcke and Gregory York received the gold arrow point all in the Wolf Rank.

Gene McGihon received the lion badge. Charles Glenn received the Weblos badge, the highest award in Cub Scouting.

The next planning meeting will be held at the McGihon home on March 20th. The next Pack meeting will be held at the school on March 27th.

Invitation Extended To Join Square Dancers

Square and round dancing was enjoyed last Friday evening by the Donner Dancers after they had their pot luck supper in Veterans Memorial Hall.

The group convenes at 8 p.m. each Friday evening and has extended an invitation to all interested in joining the fun and beginners will be taught the steps.

There is no admission charge and further information may be obtained by phoning 412-J or 115.

Outdoor Sportsmen To Hold Meeting Friday

Further discussions relative to the closure of seven miles of the Truckee river to bait fishermen and a talk on game management by an official of the state fish and game commission will feature a meeting of the Truckee Outdoor Sportsmen at Capitol Hall tomorrow evening.

Vice president Charles Osburn, who will preside at the meeting, declared the subject of an antlerless deer season will be one of the main subjects.

All sportsmen and others interested in the fishing and hunting program in this area are urged to attend.

SUNBEAMS

By WALTER M. BARRETT

The action taken by the Nevada County Board of Supervisors in unanimously adopting a resolution protesting the adamant action of the state fish and game commission in restricting seven miles of the Truckee rive to artificial lure fishing ,is to be commended. Supervisor H. G. Loehr, who introduced the resolution, said not a dissenting voice was raised and that the action taken was without hesitation. The resolution calls for the commissio nto rescind its action immediately.

Announcement by the division of highways that the contemplated four lanes of Highway 40 will bypass Truckee does not come as a surprise, but should serve to stimulate united action by every resident of the community to seek an alternate by having the present route through here retained and maintained as a portion of State Route 89, which it now forms.. At a proposed public hearing in April, this proposal no doubt would be seriously considered by the division of highways.

BASKETBALL FINALS SET FOR TONIGHT

Daven Morey announced this week that the finals of the basketball tournament will be held in the local high school tonight when trophy awards will be given to the victors.

The first game will begin at 7 p.m. and tickets for the Truckee Volunteer Fire Department building fund will be honored at this time.

Blizzard Strikes In Truckee District

The worst blizzard of the year Monday resulted in Highway 40 being closed between 3 and 10 p.m. and added another 10 inches of snow to the pack in Truckee for a total of 50 inches on the ground.

The U. S. Forest Service reported .93 or an inch of precipitation from the storm to bring the total for the season to 45.22 inches. The normal precipitation for March is 4.30 and if this is reached the record winter of 1951-52 will be exceeded.

Temperatures dropped to a cool four below on Tuesday following the storm and the high for the past week was 48 last Friday.

Clear, cool weather predominates here today.

Linda Loynd Wins Lions Speakers Contest Locally

Linda Loynd was judged best in the annual Lions Club Speakers' contest held last night at Donner Lake Lodge. Tied for second, with the subject "Youth Problems of Tomorrow" were Janice Gray and Sandra Frank. The zone finals will be held March 22 at Sparks at 6:30. Judges for the contest were Frank Gaiennie, Reg Smart and Lee Apple. Timers were Robert Seibold and Nat Quilici and the Tellers were Conrad Briner and Larry Larrivee.

C. Edmunds was named to represent the Lions on the airport committee.

Wedding In South—

Mrs. A. E. Burlingham received an invitation but was unable to attend the wedding last Friday of her grandson, William C. Ramsey at San Diego. The young man, son of Mr. and Mrs. Dee Ramsey, also of the southern city, is in the U.S. Navy and is well known here where he has often visited.

Recovering—

Mrs. Harry Eaton is expected home this week to continue her recovery of health, following an operation last week in a Reno hospital.

California-grown dates were exhibited at a fair in San Francisco in 1877.

Truckee By-pass On U.S. 40 Studied By State Officials

Hearing In April; Routes Expected To Go North Of Here

While no definite decision has yet been reached, spokesmen for the division of highways have indicated that in event U.S. Highway 40 bypasses Truckee when the four-lane road is constructed during the next four years, it will go north of its present route.

Under the plan considered the most likely by the state, the new road would take off from the present route one mile west of Truckee at the Tahoe Wye and proceed directly east, going north of town, and rejoin the present route in the vicinity of Boca or the Flycasters Club. It would then continue east down the Truckee river canyon to join with the four lanes at Floriston.

Other Routes

Other alternate routes have been surveyed, including one south of the Truckee river and one just back of the old high school to cross Trout creek near the maintenance barn.

No decision has been reached on any of these routes, division of highway spokesmen at Sacramento said this week, and none will be reached until after the public hearing scheduled to be held here about the middle of April.

The project is in line with the "normal planning" program of the state and when completed will provide a four lane road from the Nevada state line to the Tahoe Truckee Wye.

FIVE CAR WRECKS REPORTED IN AREA

Five collisions, involving 11 cars were reported by the California Highway Patrol during the weekend. One woman was taken to the Tahoe Forest Hospital and two others were injured slightly.

Mrs. Edna Langley, 46, Herlong, was treated for back injuries after a three-car collision near Soda Springs Sunday afternoon. Cited was Victor Kornacki, 39, of Lodi whose car hit one driven by Lewis Andrew, Sacramento, sending the latter vehicle into the path of the machine driven by Curtis Langley. Andrew was also cited for speeding.

Cars driven by John Sobrata, and Charles Maraz, both of Menlo Park, were damaged but the occupants escaped when the vehicles collided Saturday morning near Soda Springs.

Gerald Beelar, Sacramento and William J. Woods Fair Oaks, received minor injuries when the car driven by Beelar and one operated by Delano Bryning, San Bruno collided on Donner grade Sunday morning. Bryning was cited for making a bad pass.

Cars driven by John Phillips, San Francisco and Glen Miller Reno, were damaged Sunday night in a collision one mile west of Truckee. No one was hurt.

Richard Cislini, Reno, was cited after his car collided with one driven by Richard Wawman of Grass Valley one mile east of here Sunday evening.

EIGHT CARS WRECK AS TRAIN DERAILED

Eight cars of an east-bound Southern Pacific freight train, loaded with lumber and nuts, were derailed just east of Hirschdale Monday morning and traffic over the lines was tied up for nearly 12 hours.

Southern Pacific officials said a pin dropped out of a coupling between two cars causing the derailment, which occurred about 2 a.m.

Wrecking crews were immediately dispatched from Sparks and supplimented by construction equipment from Reno worked in the blizzard until after noon before train service was resumed.

Fortunately no one was hurt in the wreck but several cars were badly damaged and it was necessary to transfer the loads to other cars before they would be moved.

Dr. L. D. Nelson is absent from his office this week while attending a post-graduate course at San Francisco.

Last Rites Held At Colfax Tuesday For M. Franzini

Last rites were held at the West Funeral Home at Colfax Tuesday afternoon at 2 o'clock for Maurice Franzini, 67, former well known Truckee resident, who expired Saturday morning after a sudden illness.

Franzini, a native of Truckee, spent most of his life in this community where he was for years associated with the Truckee Soda Works, now the Coca-Cola Bottling Company.

Several years ago, Mr. and Mrs. Franzini went to Battle Mountain, Nevada, where they resided for some time but returned to Truckee where they lived until three years ago when they built a home near Colfax.

The deceased was apparently in good health until recently. He was stricken suddenly Saturday morning and rushed to Weimar where he died shortly after reaching the hospital.

He is survived by his wife, Mrs. Ruth Franzini, a sister, Mrs. W. M. Englehart, Sr. of Truckee and a brother in law, Herbert Johnson of Watsonville.

Many friends of the family here join in extending sincere sympathy to the survivors.

Students To Hold Ski Field Days Next Week

The seventh annual ski field days for the children of the Tahoe-Truckee Unified School District will be held at Squaw Valley on Monday and Tuesday, March 12 and 13.

The elementary school field day will be held on the 12th from 9:45 a.m. and 1:30 p.m., and the secondary school field day will be held on the 13th during the same hours. The activities of the two days are under the direction of George Hogan, who has been the ski instructor for the children of the district during this skiing season.

Hogan will be assisted in the activities of the field days by parents of the district and some of the better skiers of the high school student body.

The number of students who will participate in the field days are as follows: Tahoe Lake, 66; Truckee, 62; Kings Beach, 57; Donner Trail, 21; Tahoe-Truckee High School, 46.

Carvers Leaving To Make Home At Sacramento

Truckee soon will again be without an attorney. William Carver announced this week that he was leaving to establish an office in Scramento where both Mrs. Carver and their daughter, Mrs. Thelma Norris have obtained employment. The latter two are leaving Monday and Carver will remain for a time and will return periodically to handle his local business.

Among other civic duties, Carver was vice president of the chamber of commerce, a member of the Nevada County Board of Trade and the airport committee. The family has made many friends here and will be missed.

Feltes Have Daughter

Katherine Lee are the given names of the baby girl born March 4 to Mr. and Mrs. Jack Felte.

The child was quite petite, weighing only 3 ounces over five pounds on her arrival in a Reno hospital.

Mrs. Felte was in the hospital a week previous to the blessed event and we are happy to say that both are doing well at this time.

Seek Resignation

AUBURN— Four members of the Placer County Board of Supervisors have demanded the immediate resignation of Road Commissioner Herbert E. Abell. The motion was made by Frank Paoli and seconded by L. L. Anderson. Abell said he would appear before the board today.

LAKE LEVEL

Tahoe City— The level of Lake Tahoe Monday was 6227.19 feet with 17 gates open. There were 66 inches of snow on the ground at Tahoe City, including six inches which fell Monday.

Committee Gives Solid Approval To 1960 Olympics

Conditions For Loan Listed As Committee Gives Games Nod

With a unanimous voice vote, the assembly ways and means committee late yesterday gave approval to a request by Governor Goodwin J. Knight that $4,000,000 be appropriated for staging the 1960 Winter Olympic Games in California.

The question now goes to the floor of the assembly where it is expected to pass without opposition and then on to the senate where similar action is anticipated.

There was no opposition voiced at the committee meeting yesterday after Senator Harold T. Johnson of Roseville and members of the organizing committee, including Prentice Hale, the president, explained the plan to be followed.

Provisions

The committee gave approval with three specific clauses:

1. That the State of California operate the facilities following the games as a state park or until such a time as they can be sold to good advantage.

2. That all proceeds from the games, including TV rights, admissions, etc., be returned to the state to offset the investment.

4. That none of the construction financed by the state be undertaken on any but publicly owned lands.

Motion for the appropriation was made by Assemblyman Bruce Allen of San Jose. Among the most ardent supporters was Assemblyman Francis Lindsay, a member of the committee.

School Boxers to Perform March 16

March 16 marks the date of the third annual Tahoe Truckee High School boxing and wrestling tournament. This year's boxing tournament will be under the supervision of George Boyle. The new wrestling tournament will be directed by Don Trask. Starting time for the tournaments will be 8:00 P.M. Friday March 16.

The following boys are signed up for boxing practice: Jim Allen, Jim Hutchins, Joe Montano, Louis Ellis, Dennis Ellis, Chuck Bergman, Jess Marin, Ken Wilson, Bill Conners, Richard Parr, Paul Good, John Bervid, Martin Kumle, Barton Stone, Doug Single, Frank Cadjew, Tony Marin, Paul Mason. Mickey Stone, and Chris Poulsen.

Those boys signed up for wrestling practice are Harold Brown, Richard Brown, Dale Eaton, Gerald Faughn, Barry Graton, Gary Holbrook, Larry Hughes, Jim Hutchins, Jay Mandeville, Phillip Mandeville, Walter Mandeville, Sam Medford, Ken Osburn, Martin Prescott, Bill Sanders, Randy Schultz, and Robert Trask.

Tahoe Rotary Prepares For Easter Observance

KINGS BEACH— Seventeen members of the Rotary Club of Brockway braved the storm on Monday night to attend their regular meeting held at Crystal Bay end presided over by president-elect Pappy Brooks.

A committee was appointed as follows; Ray Plunkett, Ray Ehlers, Don Barkhurst, Max Springer, Howard Mason, Ray Porath and E. J. Stokes to prepare for the Annual Easter Party to be held March 31st. The party will be for children of pre-school age through the 6th grade.

Program Chairman Dodd presented a film entitled, "Highways of the Telephone" which is a story of the micro-waves. The views shown were of areas in our vicinity.

Dorette Rose Honored At Birthday Party, Show

Mr. and Mrs. Dave Rose gave a dinner party for their daughter, Dorette on Saturday, concluding with the guests enjoying the show at Donner Theater.

Guests included Donna McReynolds, Karen Smart, Dee Dee Frates, Vickie Firpo, Stephani Cozzi, Terry Beck, Linda Giovannoni and Francie McGwinn.

Daughter Born

Mr. and Mrs. Leland A. Thomson of Tahoe Pines welcomed a daughter on March 1st at Tahoe Forest Hospital.

Linda Marie weighed six pounds and six ounces on arrival. Dr. Allan Sklar was the attending physician.

Has Operation—

Mrs. N. F. Dolley underwent an operation of her back at University Hospital in San Francisco last Friday and is reported improved in health.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Mild Weather

The weather round Tahoe turned quite mild and almost spring-like during the middle of last week. After a one-inch snowfall on February 29th, with precipitation only registering .04, it cleared beautifully on Wednesday night, and March came in on Thursday morning like the proverbial lamb. We sincerely hope it won't run true to that time-worn proverb and go roaring out like a lion. But you can't tell about Tahoe weather.

17 Gates Open

Weather man, Art Frodenberg, reports all of the 17 water gates still open at the Tahoe-Truckee dam, and very little change in the lake level. He said the coldest early morning last week was on February 28th when the temperature fell to 12 above. Early on the first of March it stood at 14 above, and since that date it has grown warmer with each day.

Blackbirds Back

Saturday morning dawned in comparatively spring-like fashion, with the sun a blinding blaze across the snow, and the first flock of blackbirds settled in a dark cloud all over the balm-of-Gilead trees on the cliffs, screaming hilariously at each other that spring was near. (We centainly hope they haven't been misinformed!)

Ski Fans

On Friday night six bus loads of week enders came in again over the Donner Summit from the bay area, and filled the available lodgings on the North End. Most of the crowd were ski-sports fans who had rooms reserved at the Biltmore Hotel, with arrangements for meals next door at Monte Carlo. Through daylight hours over the weekend they went by bus to various ski-sports areas, returning to the night clubs fro evening entertainment. The Ta-Neva-Ho Club, which has been thoroughly done over this winter, is expected to reopen soon for a very early spring season. It is being re-named The Crystal Bay Club. Johnny Rayburn, Kings Beach resort owner, is the main stock holder in the Crystal Bay Club.

Return Home

One more pair of the vacationing Tahoeites, who recently toured Southern California, returned to their Tahoe City home this week, well satisfied with their trip and glad to be home again. They are Mr. and Mrs. A. M. Anderson, managers of the Village Store. The Andersons spent two weeks touring the coastal winter resort country and enjoying the mild weather about Palm Springs.

Entertain

Mr. and Mrs. Harold Farr of this city entertained in their home here over the past weekend for two bay region friends who drove up by the Donner highway to enjoy a couple of days skiing in this vicinity. The two ladies were Mrs. Gladys Esterkin and Miss Esther Shaw of San Francisco. Both are occupied in teaching school in that city.

No Candidates

C. W. Vernon, clerk of the Tahoe City Fire Protection District, announces this week that, since no candidate has filed for the post of Fire Commissioner, there will be no election this spring for the office. The remaining three Fire Commissioners are expected soon to petition the County Supervisors to appoint someone to fill the office, and these three will reccommend the person who in their opinion is most fitted for the position.

Technical education in California was begun in San Francisco 100 years ago by the Mechanic's Institute.

Tahoe Items

Norman Mayfield and Fred Main of the Tahoe Boat Co. at Tahoe City and Jake and Herbert Obexer of Homewood were among those displaying boats at the annual Sports Boat Show in San Francisco this week.

Attending the Tahoe-Sierra Chamber of Cammerce booth at the show were George Phillips of Sandy Beach and Mrs. Harriett Craven of Fallen Leaf Lodge. They passed out Tahoe folders and other information to the thousands of visitors.

Mr. and Mrs. Gerge Kehlet returned to Palm Springs after reaching Sacramento and learning that a directors meeting of the Tahoe-Sierra Chamber of Commerce had been postponed because of the weather.

Mr. and Mrs. Matt Green, former Tahoe residents, spent only one week in Honolulu instead of the month they intended as the weather there proved unsatisfactory. They reside at Sacramento.

NEW OFFICERS OF LAKE PTA PRESIDE

KINGS BEACH— Florine Klitzke, president for the new year will preside at the March 15 meeting of the Kings Beach Parent and Teacher group to convene at 8 p.m. in the Kings Beach grammar school.

Raymond Bissio is the new vice president, Bern Franklin, secretary; Kay Campbell, treasurer.

A program of interest is being planned.

The organization is sponsoring weekly moving pictures, the showing of a Walt Disney's program will start March 11 at 1:15 in the grammar school.

Apricots are called "three purpose fruits" equally well adapted to fresh consumption, canning or drying.

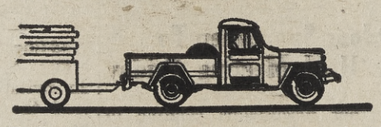
All-Purpose 4-wheel drive 'Jeep' Truck

Extra stamina . . . on the highway or off . . .

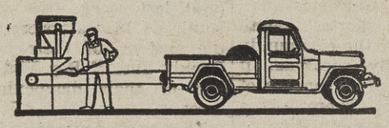
Selectivity. The 'Jeep' Truck operates in 2-wheel drive for normal highway travel. You shift into 4-wheel drive when the going gets tough.

Traction. With its 4-wheel drive, the 'Jeep' Truck climbs 60% grades, goes through mud, sand, snow, or soft earth, where ordinary vehicles can't go.

Most useful truck ever built!



Hauling. The 'Jeep' Truck carries a one-ton payload and pulls heavily loaded trailers, on the road or off.



Belt Power. With power take-off, the 'Jeep' Truck supplies power for many types of industrial or farm equipment.

School News

KINGS BEACH

KINDERGARTEN AND FIRST GRADE: Kenny Bailey, from Mr. Bisio's room brought us some pussy willows.

Those who made mats this week are Dyanne Lausebe, David Hughes, Kathy Chastain, Susan Clackett, Janice Wing, Brenda Hallahan, Martha De Gregorio, Gale Graton, and Sheri Decker.

Ann Felte and Jan Bisio constructed a boat harbor, and airport, and a railroad track.

First graders who did outstanding number work this week include Kathy Chartain, Martha De Gregorio, Susan Clackett, Gale Graton, Brenda Hallahan, Wendy Howell, Cathy Rockholm, David Hughes, Peter Powell, and Andy Thompkins.

SECOND AND THIRD GRADES: The following children finished reading storybooks aind gave oral book reports: Beverly Bergman, Estelle Howell, Wayne Mandeville, Marlea Draney, Vern Wing, and Ronnie Baker.

The new boy in the second grade is Bruce Templeton who came from Fullerton. He and his parents are living in the house formerly owned by Mr. and Mrs. Gil Johnson, located on the Truckee Shortcut. Mr. and Mrs. Charles Templeton are the new owners of the Buckhorn Inn. We welcome them to our community.

During language arts, we wrote stories about our pictures. Outstanding stories were written by: Nancy Bervid, Arthur Waddell, Raymond Hill, Vern Wing, Estelle Howell, Carl Brooks, Vickii Russell, Loretta Barnett, Carol Franklin, and Chris Althof.

FOURTH, FIFTH, AND SIXTH GRADES: Francis Howard celebrated her twelfth birth date this Friday with a class party.

The safety poster contest came to a close this week with the sending to Washington D. C. of some five posters. These potsers belonged to; Paul Franklin, Evelyn Trent, Jackie Hanklins, and Bobby Howell.

Folk dancing has progressed so well that this Saturday night, March 3, the children are putting on a dancing demonstration for the Lake Tahoe Square Dance Club. The members participating are; Dennis Ludlow, Suzie Lucas, Bud Robertson, Jackie Hankins, Donnie Decker, Francis Howard, David Decker, Evelyn Trent, Bobby Howell, Margie Mandeville, Brad Thompson, Janet Mallory, Gary Wing, Carol Schefcik, Mark Good, Joanna Johnson, Cathie Graton and Virginia Baker.

TAHOE LAKE

KINDERGARTEN AND FIRST GRADE: Top spellers this week are: Bill Rabska, Arman Abrahamian, Tommy Barr, Jimmy Bechdolt, Chris Beavers, and Vicki Jones, who got 100 on the test.

At story-telling time this week fairy tales were made up and told by Chris Beavers, George Speeter, Vicki Jones, David White, Rae Lee Grahn, John Carnell, Bill Rabska, Mike Dempsey, and Barbara Neilsen.

SECOND, THIRD AND FOURTH GRADES: We discussed the meaning of conservation, studied the government services, and suggested ways that children might do added service.

FIFTH AND SIXTH GRADES: This week we will work on our conservation posters for the conservation contest to be held this year.

One of our pupils, Linda Moe, has moved to Reno.

TRUCKEE ELEMENTARY

KINDERGARTEN— We have been playing a few musical games.

Some of our finger painting artists are: Kathie Hart, Shelia Smotherman, Pamela Horman, Susan Schuler, Chris Kumle, Robert Goldsmith, Phillip Risden, Michael Borden and Jack Novak.

FIRST GRADE: The first grade has been learning the words to the song "America, the Beautiful." Donny Whitneck, Russell Glenn, Susanne Olano, Kathy Braasch and Gary Waters illustrated the song very well.

Nicky Kenyon, Linda Carter and Sandra Miller have drawn pictures telling about conservation for the first grade.

SECOND GRADE: We painted pictures after talking about conservation. Alexandra Cushing's, Charles Hintz's, Karen Walker's and Jackie Finnegan's pictures were chosen to be sent to the Conservation Week Poster Contest in our district.

THIRD GRADE: Tony Kenyon, Nicolosa Marroquin, Skippy Peterson, Mike Ingalls, Gary Sturcke, Danny Garcia, Kenneth Taylor, Steven Davis, Gerri Stelle, Carol Kunkler and Judy McGwinn made a perfect score in the final spelling test this week.

Eddie King, Steve VanSickle, Douglas Hagens, Dennis Stumbaugh, Sheila Larrivee, Marcia Leamon, Mike Ingalls and Dane Hays have been absent part of the week with the flu. We hope all will be able to be back next week.

FOURTH GRADE: Diane Kay and Lynn Quartly brought a picture to school that illustrates grandfather's clock.

FIFTH GRADE: Two very good border designs have been completed and are now posted in our class room. They were made by Virginia arnes and Mary Ann Miller. One of the most interesting college designs was produced by Jerry Kirby.

SIXTH GRADE: A commttee, headed by Julia Fuentes and assisted by Olivia Montano, Donna McReynolds and Mike Armstrong, drew a colored, life-sized Mexican couple, which is outstanding.

Another committee composed of Kathleen York, Terry Ellis, Francie McGwinn, Terry Walker, Jimmy Osburn and Dana Hamilton drew free-hand maps and a mural depicting the history and government of Mexico.

Last Monday the school conducted its annual spelling contest. The class winners were Barbara Jeanne Croxen and James Randall from the fourth grade, Kathleen Curran and Michael Kenyon from the fifth grade and Pat Freeman, Francie McGwinn and Barry Leamon from the sixth grade. The winners of the contest and prizes were: Francie McGwinn, first place; Barry Leamon, second place; and Michael Kenyon, third place.

Sixth grade officers for March are Dee Frates, president; Linda Giovannoni, vice president; Kathleen York, Secretary; and Karen Smart, treasurer.

Leg Broken—
Jack Gross of Squaw Valley is being treated for a broken leg at Tahoe Forest Hospital.

Firemen's Ball March 17th

TAHOE CITY— Tahoe City Fire Department officials wish to remind everybody for one last time to keep in memory the Firemen's Snow Ball, which will be held at Tahoe Inn on the evening of St. Patrick's Day, March 17th. Some very generous donations have already been received, and the firemen are planning big for the entertainment.

BOY BREAKS LEG IN SKIING MISHAP

KINGS BEACH— Chris, 9 years old son of Mr. and Mrs. Jack Felte of Kings Beach had the misfortune to sustain a bad break of his leg while skiing recently at Crystal Bay.

The young man is at home and it is estimated that he will have to be in the cast for at least three months to allow the injury to properly heal. Good luck, Chris for a speedy recovery.

Child Health Conference

KINGS BEACH— A child health conference, sponsored by the Placer County Health Department, will be held at 1 p.m., Wednesday, March 15th at Carpenters Hall, Kings Beach.

ORDINANCE NO. 56-01 of TRUCKEE PUBLIC UTILITY DISTRICT

Defining and Classifying Types and Users of Water Service, System and Facilities Thereof; Establishing Water Rates and Charges Applicable Thereto; Providing for the Establishment and Enforcement of Rules and Regulations Regarding said Water System, Service and Facilities; Providing Means for the Collection of Water Rates and Charges and Enforcement Measures in Case of Non-Payment or Certain Violation; Providing for Appeals.

BE IT ENACTED BY THE BOARD OF DIRECTORS OF TRUCKEE PUBLIC UTILITY DISTRICT as follows:

SECTION 1. DEFINITIONS: For the purposes of this Ordinance the terms and words below are herewith defined as follows:

1.1 DISTRICT: Truckee Public Utility District, and property within the exterior boundaries thereof.

1.2 UTILITY: Water service, system, facilities and appurtenances of Truckee Public Utility District.

1.3 CUSTOMER: Any individual or agency of record receiving or making use of water service from said Distriit.

1.4 PREMISES: Any lot, piece or parcel of land, improved or unimproved, to which water service is being or is to be provided.

1.5 TARIFF SCHEDULES: The entire body of effective rates, rentals, charges, penalties and regulations set forth or provided for herein.

1.6 PUBLIC USE: Provision of water service to a municipality or other public body.

SECTION 2. TYPES AND CLASSES OF SERVICE: For the purpose of this Ordinance there is hereby established the following types and classes of service:

A. TYPES OF SERVICE:

A-1 Flat Rate Service: Provision of water service in unmeasured quantities charged for on a fixed periodic charge.

A-2 METERED SERVICE: Provision of water service in measured quantities charged for on metered rates.

A-3 TEMPORARY SERVICE: Service for construction work and similar uses, which, because of the nature thereof, will not be used steadily or permanently.

A-4 SEASONAL SERVICE: Provision of water for a limited but specified period of time.

B. CLASSES OF SERVICE:

B-1 DOMESTIC SERVICE: Provision of water for household and residential purposes, including water for sprinkling lawns, gardens and shrubbery, watering livestock, washing vehicles, and other similar and customary purposes.

B-2 COMMERCIAL SERVICE: Provision of water to premises where the customer is engaged in a profession, trade or business, or is engaged in the buying, selling or providing of goods or services.

B-3 INDUSTRIAL SERVICE: Provision of water to a customer for use in manufacturing or processing activities.

B-4 FIRE PROTECTION SERVICE: Provision of water to premises for automatic fire protection.

B-5 UNCLASSIFIED: Any water service provided to customers or premises, having unusual characteristics or requirements and not within the classification set forth above.

SECTION 3. WATER SERVICE AREAS: The areas in which water service is or may be furnished by Truckee Public Utility District are described as follows:

3.1 SERVICE AREA NO. 1: Comprising the South ½ of Sections 10 and 11, the North ½ of Section 14, all of Section 15, all Township 17 North, Range 16 East, M.D.B. & M. (Truckee)

3.2 SERVICE AREA NO. 2 Comprising the South ½ of Sections 8 and 9, all of Section 16, and Section 17, all Township 17 North, Range 16 East, M.D.B. & M. (Gateway and Meadow Lake)

3.3 SERVICE AREA NO. 3: Comprising the South ½ of Section 7, all of Section 18, in Township 17 North, Range 16 East, and the South ½ of Sections 11 and 12, and all of Sections 13 and 14, all Township 17 North, Range 15 East, M.D.B. & M. (Donner Lake)

3.4 SERVICE AREA NO. 4: Comprising all other parts, parcels, portions or sections lying within the exterior boundaries of Truckee Public Utility District.

3.5 SERVICE AREA NO. 5: All land outside the exterior boundaries of Truckee Public Utility District.

The Truckee Public Utility District specifically reserves the right, in the discretion of its Board of Directors, to apply special or restricted service, rates, charges or regulations within any of the service areas described which may differ from the service, rates, charges, or regulations applicable in another service area.

SECTION 4. WATER RATES AND CHARGES: In order to provide revenues for the purposes of undertaking, conducting, and carrying on any of the business and affairs of said District as allowed by law, there is hereby established. levied, and there shall be collected according to the following rates and classifications, the following amounts:

SCHEDULE I
WATER RATES AND CHARGES -
Metered Service

4-1 APPLICABILITY: Applies to all domestic, commercial, industrial and temorary water service, delivered at metered rates.

TERRITORY: Applies within the exterior boundaries of Service Area No. 1 and Service Area No. 2, as hereinabove described.

MINIMUM CHARGES
(Per month or fraction thereof)

Up to ¾ in. meter	$ 3.00 per mo.
¾ to 1 inch meter	3.50 per mo.
1 in. to 2 in meter	6.00 per mo.
2 in. to 3 in. meter	12.50 per mo.
3 in. meter and over	25.00 per mo.

WATER RATES
(Per month or fraction thereof)

On 1st 6,000 gallons	Included in minimum charge based on meter size (above)
Next 4,000 gallons	25c per 1000 gallons
Next 20,000 gallons	20c per 1000 gallons
Next 30,000 gallons	15c per 1000 gallons
All over 60,000 gallons	10c per 1000 gallons

SCHEDULE II
WATER RATES AND CHARGES
Flat Rate Service

4.2 APPLICABILITY: Applies to all flat rate service, regardless of how classified, fire protection service, unclassified or seasonal service.

TERRITORY: Applies within Service Areas Nos. 1 to 4, inclusive, and to any water provided customers in Service Area No. 5 as hereinabove described.

RATES AND CHARGES for the foregoing shall be established in each case by the Board of Directors, depending on the quantity of water to be used, type of service desired, classification of service to be provided, special connections necessary, if any, and such other conditions or circumstances as may be applicable, all to the end that such rates and charges shall be in confirmity with the revenue producing requirements of Section 16467 of the Public Utilities Act of the State of California.

SECTION 5. BILLING FOR AND PAYMENT OF WATER RATES AND CHARGES.

5.1 METERED SERVICE: Meters will be read at regular intervals and as near to a calendar month basis as reasonably practicable for the purpose of preparing regular bills, opening bills, closing bills, or special bills. Should a monthly billing period contain less than 27 or more than 33 days, a pro rata correction may be made on the monthly minimum charge.

5.2 FLAT RATE SERVICE: Bills for flat rate are payable in advance. Opening bills for flat rate service shall not be less than the estimated monthly charge for the service. Any amount paid in excess of the pro-rated period rate will be credited against the charge for the succeeding month.

5.3 PAYMENT: Bills for water service are due and payable upon presentation and payment may be made at the office of the District. Truckee, California, or to an authorized collector. Bills become delinquent 15 days from date of presentation.

5.4 RESPONSIBILITY FOR PAYMENT: All bills for water service and other charges shall be billed to the person requesting and making application for service; provided, however, that in the event of delinquency such rates or charges shall be billed to the owner of the premises afforded such service, whether or not such owner requested or made application for service.

5.5 DISPUTED BILLS: In the event of a dispute between a customer and the District as to the correct amount of a bill rendered by the District for service furnished a customer, the customer shall deposit the amount billed with the Clerk of the District, and shall then proceed in accordance with Section 8 of this Ordinance. Failure to deposit said amount within 20 days from the date of said bill shall warrant the District regarding it as a delinquent account.

SECTION 6: ENFORCEMENT OF COLLECTIONS, RULES AND REGULATIONS:

The General Manager of said District is hereby charged with the enforcement of the provisions of this Ordinance and all Rules and Regulations made pursuant hereto. The Board of Directors shall make and provide for the enforcement of such Rules and Regulations for the safe, economic, and efficient operation, management and protection of the District water system, service and facilities, and such Rules and Regulations as may be necessary for the regulation of water services, the application for service, the establishment and collection of connection charges for various types of service, including special contracts where necessary, the collecting, rebating or refunding of charges, establishment of credit and reconnection charges.

(a) In the event of a violation of any laws of the State of California. the ordinance of the District, or the rules and regulations established pursuant thereto, the General Manager shall notify the person or persons causing, allowing or committing such violation, in writing, specifying the violation, and upon the failure of such person to cease or prevent further violation within 15 days after the date of such notice, the General Manager may exercise his authority to disconnect said premises from water service; provided, however, that in the event such violation results in a public hazard or menace, then the General Manager may enter upon the premises and do such things and expend such sums as may be necessary to abate such hazard or menace, and the reasonable value of the things done and expense incurred or amount so expended thereon shall be a charge upon the person and premises so in violation.

If a customer receives water service at more than one location and the bill or charges for service at any one location is not paid prior to delinquency, water service at all locations may be disconnected.

(b) Upon the failure of any person or the owner of the premises, to pay any water service bill or charges applicable thereto, in addition to the foregoing, any one or more of the following actions may be taken:

(1) Each water service bill and/or charges levied by or pursuant to this Ordinance and the Rules and Regulations thereunder, on any premises within the District, is hereby made a lien upon such premise, and any measures authorized by law may be taken by the District to enforce payment of such lien.

(2) Whenever a premise has been disconnected from the water system for non-payment of water bills or charges, such premise shall not be reconnected to said water system until all delinquent charges and penalties, if any, have been paid, together with such additional charges or deposits for disconnection, reconnection or establishment of credit as may be ordered from time to time by the Board of Directors by rules and regulations or other act.

SECTION 7. APPLICATION FOR SERVICE - PERMIT TO CONNECT: No person shall connect, or cause to be connected any premise with the District water system without having first made application therefor to the District, and having obtained premission of the District so to do in accordance with Rules and Regulations.

SECTION 8. APPEALS: Any person who shall be dissatisfied with any determination hereafter made under or pursuant to this Ordinance, or any amendment thereof, or Rules and Regulations made pursuant thereto, may at any time within 30 days after such determination (disputed bills provision excepted) appeal to the Board of Directors of said District by giving written notice to the General Manager and to the Clerk of the Board of Directors, setting forth the determination with which such person is dissatisfied. The General Manager shall then investigate and transmit to the Board of Directors within 15 days from date of said written notice a report upon the matter so appealed. The Board of Directors after receipt of said report of the General Manager shall not less than 30 days thereafter have a hearing in reference to said protest or matter appealed, and notice of the date, place and time of said hearing shall be given to all persons affected thereby not later than ten days prior to said hearing. The Board of Directors may at any time, upon its own motion, reverse any determination made by the General Manager.

Pending decisions upon any appeal relative to the amount of charges made hereunder, the person making such appeal, shall pay such charge under protest as more particularly provided in the Rules and Regulations of the District. After appeal and hearing thereon is had, the determination of the Board of Directors, as a result thereof, shall be final and conclusive, and in the event that a determination be made, that any charge or amount previously paid under protest be refunded, such refund shall be made forthwith.

SECTION 9: If any of the provisions of this Ordinance, or the application thereof to any person or circumstance, is held invalid, such decision shall not thereby affect the other provisions of this Ordinance.

Nothing herein shall be construed to limit the authority of the Board of Directors to amend, supplement or change this Ordinance, or any supplements or amendments thereof, or to change, modify or alter any rules, regulations or other determinations made pursuant thereto.

SECTION 10: EFFECTIVE DATE OF ORDINANCE: This Ordinance shall become effective 30 days after the date of passage thereof, and shall be published twice within 15 days after the date of passage in the Sierra Sun, a newspaper of general circulation printed and published within the County wherein said District is located; provided, however, that the water rates and charges now in effect shall remain in effect until April 1, 1956, on which date the water rates and charges hereinabove set forth and referred to shall become effective.

Chas. R. Heller
President of the Board of Directors.

ATTEST:
C. Edmunds
Acting Clerk and Ex-officio Secretary thereof.

- CERTIFICATE -

I hereby certify that the foregoing Ordinance was duly introduced, passed and adopted at a meeting of the Board of Directors of Truckee Public Utility District on the 23rd day of February, 1956, by the following vote:

Ayes: Heller, Welch, Neugebauer
Noes: none
Absent: none

WITNESS my hand and the seal of this District the 24th day of February, 1956.

C. Edmunds
Acting Clerk of Truckee Public Utility District

M 1-8

Be right back! When you're out for the evening — at a party or somewhere — it's mighty comforting to be able to phone your babysitter to see if everything's okay, isn't it? You've probably done it lots of times. As a matter of fact, it would be hard to count all the ways your telephone does bring you peace of mind...which is just one more of the things it's for. **The men and women of Pacific Telephone work to make your telephone more useful every day.**

The Standard Man saved me 1 gallon of gas in every 8!

Just keep RPM 10-30 Special Motor Oil in your car and light truck and you, too, can get up to this saving in gasoline. "RPM 10-30 Special" cuts down drag in your engine in all kinds of weather so it doesn't have to work so hard, doesn't use extra gas.

For all cars, new and old... oil savings up to 33% compared to light grades . . . quiets noisy, sticky hydraulic valves . . . easier starting . . . stepped-up power . . . money-saving protection of engine parts . . . meets all car manufacturers' recommendations . . . one oil covers grades 10W, 20W, 30. Let us tell you more about how RPM 10-30 Special Motor Oil will save you money.

BROILER BROIL **TASTELESS** STEAK?

LOOK TO YOUR WIRING!

Don't blame your broiler if it turns out steak that tastes like stew meat! Chances are the real trouble is in your *electric wiring system.* Modern broilers can't broil the way they should unless they get all the current they need.

And weak, inadequate wiring just can't carry a full load of electric power to your broiler—nor to your other electric appliances!

Call us for more information about home wiring. It's yours FREE!

TRUCKEE PUBLIC UTILITY DISTRICT
A Tax-Saving, Public Service Enterprise

NORTH TAHOE

By JUDGE HARRY CHARRISON

Weather or Not

March came in just like that dear little lamb. In the early morning the sun was out to welcome the much winterized population of Lake Tahoe and as Cactus Tom said of all the firsts I ever seed there never was one like it. It sure was a spring like morning, and it has remained just that way up to this weekend anyway. There is lots of snow on the ground, almost as much precipitation as '52. The temperature this Saturday morning is forty, clear as can be, the sun shining brilliantly and no smog. Heard a man on the radio the other morning saying, after a canvas of the Los Angeles area two thirds of those contacted would move out providing they could make a living elsewhere. Well, theres lots of room up here where they can be on "top of the world", all the tim.e

Scouts

A number of Scouts were guests at the meeting of the Lake Tahoe Lions last week under the direction of Ray Bissio. The evening was most enjoyable as each Scout gave a little talk on what he learns. They were all very good. Ray gave a good talk on the history of the scout movement. He talked of General Baden-Powell of England who organized the Scouts that became the biggest organization in the world. There is hardly a country without them. Those present included Stanley Baker and Skip Mandeville, explorers; Arthur Waddell and Carl Brooks, cubs; Bud Robertson, Dennis Thompkins, Paul Franklin, David Decker and Larry Mandeville, Scouts.

Absent

Dr. Allen Sklar is down attending a medical conference at San Francisco so if you have missed him that's the answer. He should be back by the beginning of this week. Sorry I didn't get to report he would b eabsent for the past week. Too late I guess.

Wishing Well

Nikki Ann Wing is yet another one to injure her ankle and also add Chris Felte to the list. Chris has a badly broken leg which he suffered while skiing. Glad to report that Mrs. Ray Ehlers is recovering pretty fast from an injured ankle. Frank Madison has been somewhat under the weather, but is getting around. Rube Welch has been a patient at St. Mary's Hospital, and at last report is recovernig, and Kay Felte is also in the same hospital and likely to be there til the baby arrives.

Named

Yet another, Mrs. Max Springer whose baby boy, by the way, was named Richard George, is feeling a whole lot better after being kind of sick since the wee bairn arrived. Can you imagine, Maxi took a week off when the baby came, just to celebrate he says. Glad to say he is recuperating rapidly.

The Big Show

Oh yes, Saturday March 17 is the date of the big Snow Ball of the Tahoe City Fire Department, at Tahoe Inn, Tahoe City. It starts at 8 p.m. so be on hand for the time of your lives.

On the Job

Now Carmel Throop tells me that Mel, even though he has a broken vertebrae, he is back at the Kings Beach school doing his chores, not quite as usual but putting in a few hours a day. It just shows you can not keep a good man down, for long.

Roads

Considering the amount of snow and rain the area has had, the roads are in pretty good shape, a few holes here and there, and the short cut it not too bad and nice and wide, but at the moment lots of mud. Frank Wagner and his assistants have been doing a good job. With new residents staying in, some of the roads that are not of the county control, will soon have to be taken over, so that the home owners can get in and out.

Trip

Joby and Helen Lewis have been on a trip to Las Vegas, on business and pleasure. They tell of a very nice time while there, the roads were especially good, and too the Monte Carlo was filled with sports fans up over the weekend, also the Tahoe Biltmore was filled to the limit not a rom to spare, says Bobby Vernon.

Dance

March Winds Dance was the cute name of the dance held at the Tahoe-Truckee High School last Saturday night. Kings Beach was well represented.

New Flag

Harry Johanson, constable of Tahoe City, so Oliver Corona, post master of that city tells me, presented the Community Center with a very nice U.S. flag so that it can be kept flying during working hours of the office. Well done, Harry, me boy. The reason was no one could get to the flag pole for snow.

Hurt In Fall

Alta Edler tells us that her husband, Russell, fell from the second story of a house he was building in Reno and both his heels were fractured. He will be in a cast for several months. The Elders are of Kings Beach but had been living in Reno recently.

Visits Air Base

Jackie Abbott spent a few days during the past week with her brother in law and sister, Mr. and Mrs. Maurice Lemke at the Parke Air Base near Oakland. While there she attended a formal dance at San Jose College. She reports the newlyweds doing nicely.

Some 550 square miles of Death Valley National Monument lie below sea level.

California borate production comes from two major sources, Kern and San Bernardino Counties.

Stories Feature Meet Of Tahoe City Rotary

TAHOE CITY— The Tahoe City Rotary Club held its regular weekly dinner-meeting on Tuesday evening, February 28th as usual in the Tahoe Inn dining room. President Steve Korich presided, with 24 members and one visitor attending. The visitor was Judge Fosten Wilson of the Truckee Rotary Club.

In the absence of any officially arranged program for the evening, the entertainment was provided by the telling of stories by the members. Most of them were humorous tales, and some seemed to be product of "spur-of-the-moment" invention.

At a directors' meeting which followed immediately upon the regular session the following decisions were made:

It was voted that the club observe Ladies' Night this season by holding an April Fool party at the Inn on the regular dinner-meeting night of Tuesday, April 3rd. Harold Farr of this city was appointed chairman of the entertainment committee for this occasion.

A decision was made that the club again sponsor the local Boy Scout Troop, which troop is now being reactivated. Also it was decided that last Wednesday's picture show put on at the Tahoe Lake School auditorium should be the last free movie given by the Rotary this winter.

Fosten Wilson, Truckee Judicial District Court sent to Nevada County Treasurer, Elma Hecker, the following amount collected by him during the month of February;

Assessments under Sec. 773 C. V. C., $38; Salary, $11; Special Road Improvement, $1290. Total—$1339.

REV. FRED RINEHART

Carson City Pastor Will Address Church Meet

KINGS BEACH— The Kings Beach Methodist Church will have the second in the March Series of "Four Nights For God" this Sunday evening at 7:30.

The Rev. Fred Rinehart, Methodist pastor at Carson City, will bring the evangelistic sermon entitled, "The Outreach of The Cross." A significant part of these special Lenten Evangelistic services, in addition to the series of guest speakers scheduled, is the Candle-light Altar Hour in which the congregation is given opportunity to gather at the altar in prayer for friends and self.

The altar hour was led last Sunday by the Rev. Osman of Truckee, and was followed by a vivid and stirring sermon by the Rev. John McMath of Rio Linda.

Other speakers scheduled in the "Four Nights For God" series this month, in addition to Rev. Rinehart this Sunday March 11th, are: Reverend Joe Pritchard of Fallon, Nevada who will speak on "The Miracle That Can Happen To You" (March 18th), and Reverend Leo Hamilton of Sparks, whose topic will be "The Disciple in the Dark" (March 25th, Palm Sunday).

These evangelistic services which include much group singing, are preceded each week by a Churchmanship Class at 6:30 by the pastor, Rev. A. B. Covher. The pastor's current sermon series on "Pillars of Christian Experience" will continue this Sunday at eleven with the topic, "The Centrality of Love" considering what Christ refered to as the greatest commandment of all. The public is invited to attend these services and classes at the Kings Beach Community Church.

UTAH STUDENT

One graduate of Tahoe Truckee High School is now attending Brigham Young University, according to official figures released today by school authorities.

Now enrolled for winter quarter from here is Joan Leone Hardisty.

Hastes from East—

Mr. and Mrs. William Haste were in Truckee last week after several months spent in the eastern United States. The couple plan to return to Lake Tahoe for the summer in six weeks after spending the time at their Gardena home.

City Guest—

Mrs. Frank Quilici who is celebrating her birth date early in March has been the guest of her daughter in San Francisco this week.

Fordham Family Party—

David, son of Mr. and Mrs. William Fordham was the incentive for a family dinner party on his eighth birth date, February 25 An out of town guest of the Fordhams was Mrs. Phebe Sebay of Los Angeles.

Ill At Home—

Mrs. I. Firpo has been confined to her home for the past week with pneumonia. Her friends are hopeful for a rapid return to health.

CHURCH NOTES

Rev. Osman announces the title of his sermon as "The Means of Grace" as the concluding sermon in a series of sermons in the area of "The Sacredness of Christian Grace".

The two Youth Fellowship groups will meet again this week: Intermediate Fellowship (7th & 8th graders) at 5 PM Sunday; and high school MYF at 7 PM Monday.

Special Easter and Holy Week music is the concern of the choir now. They are inviting persons to come and sing with them. Choir practice is at 7:30 P.M. on Thursdays at the church.

The pastor and his family (The Rev. & Mrs. Wesley H. Osman) made a trip Tuesday and Wednesday to Sacramento for a meeting of the ministers and their families for a district retreat.
